Himmelberg, 14 October 2026. Luxescape GmbH now lets Chalet Haus Murmeltier on the Turracher Höhe (Turracherhöhe 17, 8864 Turracherhöhe, Austria). The detached timber chalet stands at 1,763 metres in the stone pine forest, close to the slopes, the ski school and the three mountain lakes of the Turracher Höhe.

On 105 m² the chalet offers three bedrooms, two bathrooms and a living room with a tiled stove and dining nook for up to seven guests, plus a fully equipped kitchen with dishwasher and oven, a balcony and terrace with mountain views, Wi-Fi, a flat-screen TV and free parking. Pets are allowed and a cot is available.

Together with the neighbouring Almzeit chalet apartment with its own sauna, Luxescape now offers two chalets at Turracher Höhe for families and groups of up to 15 – for ski holidays in winter and hiking and swimming at the mountain lakes in summer.

The Turracher Höhe lies on the border between Carinthia and Styria in the Nockberge Biosphere Park. In winter it is one of Austria's most snow-sure ski areas; in summer Lake Turrach, Schwarzsee and Grünsee and many alpine pastures attract visitors.
